CLEAR VISION

This year's theme as you have clearly noticed is "Clear Vision". This Clear Vision is what we must all have in order to serve Christ in the manner in which He has called us. Apostle Paul of yesteryear definitely had a "Clear Vision" of Christ. John the Revelator had a "Clear Vision" of the Revelation of Christ. Throughout history where there is a vision there is movement, hopefully a move in the right direction. However, as we all know some people have not always had a Clear Vision for everyone. People such as Charlemagne, Napoleon, Hitler, and others have proclaimed Christ, while not ever seeing Him clearly. There has been one with a CLEAR VISION for all, and that person is Jesus Christ the son of YAH-

WEH. Christ had a vision that all men would love each other simply because they existed — just as Christ loves each of us unconditionally. This past year in the Chapel Services, Prayer & Praise, Revivals, Classes, lock-ins, and many other times the campus of Trevecca Nazarene College has been challenged to have a personal encounter with Jesus Christ and to see Him clearly. The only way that we can truly follow and serve Christ is by having a CLEAR VISION of Christ, his commandment of proclaiming the Gospel, and by having the eyes of Christ to clearly see our fellow man as Christ did — with compassion, with perfect love. May we all have a CLEAR VISION for Christ and His message of Holiness!

Students are constantly "consuming" here at TNC! Whether it be devouring the Cafeteria Food, the Classroom Experience, the fellowship with friends, or the Bread of Life — the learning experience is a total experience.

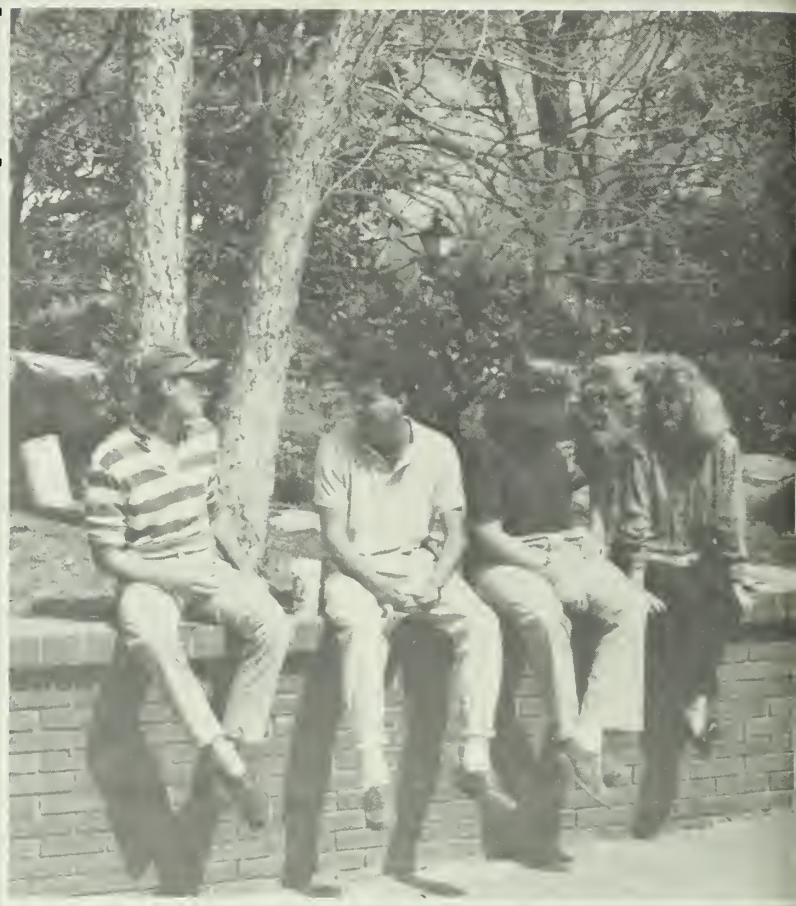

PURSUING A VISION

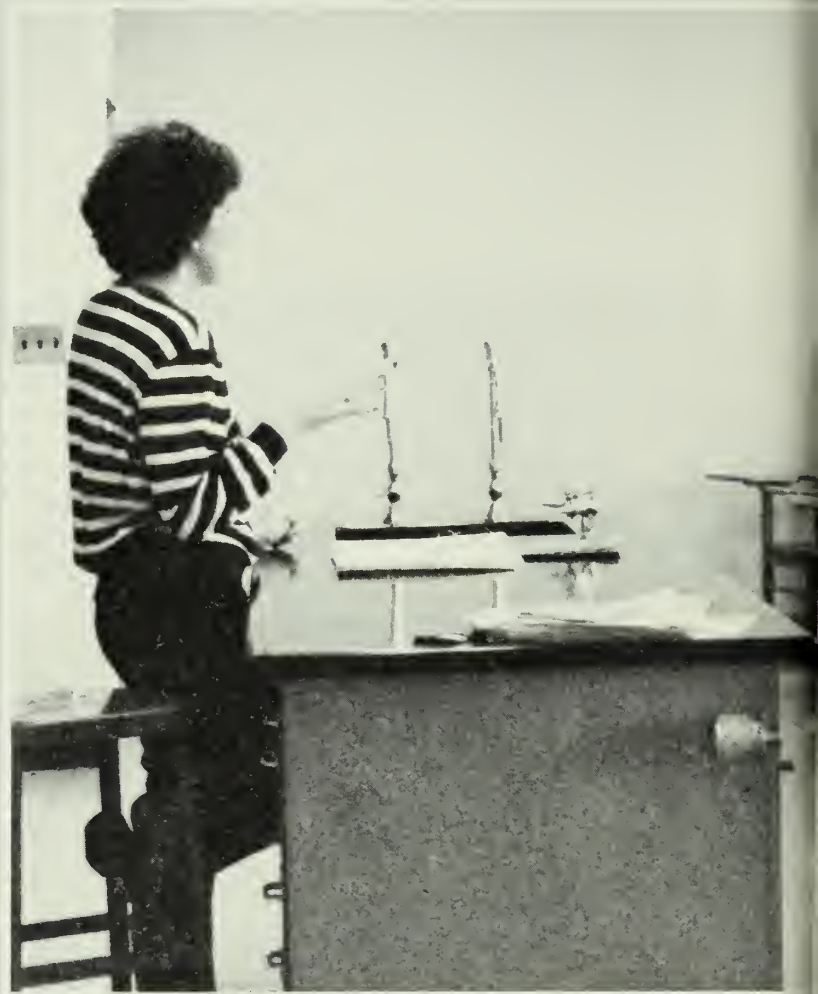

Students, faculty, and the togetherness of the two make up the fellowship of individuals at Trevecca Nazarene College. Individuals attempt to do their best, whether it be on the major final comprehensive exam, or out on the competitive field making the points, in order to make the most of their skills and to have a Clear Vision of their goals. To constantly keep in touch with the Master as well as in touch with friends is a goal constantly being pursued.

The pursuit of learning is a vision that is always foremost in our minds. In order to achieve academic excellence, the administration has worked hard to enhance the faculty, the buildings, and the grounds.

The vision of friendship at TNC is a large focus of all students. Friends are in great abundance and the entire school has a feeling of unification and oneness in the bond of Love.

STUDENT LIFE

A MESSAGE FROM OUR PRESIDENT DR. HOMER J. ADAMS

My vision and aspiration for Trevecca Nazarene College is that this institution, a good college, will become a great one.

In order to accomplish this vision, a strong faculty must become stronger, administrators whose role is to help teachers to teach and students to learn must become more efficient and more sensitive to human needs, and students must become more serious about their studies. All of these goals require dedication and hard work, and we can meet these requirements.

I see, in the next few years, a new building or two on the campus, a hundred more undergraduate students, increased support from the constituency and significantly more scholarship dollars for worthy students. Attendant to such a vision there should be a deepened academic and spiritual life on this hilltop to enable students to say, "I can change the world for the better and by God's grace I will!"

May these dreams become reality for the glory to God and for the welfare of man.

— Homer J. Adams

A CLEAR VISION

A clear vision comes from a transformed perspective on life. C.S. Lewis said, "I believe in Christianity as I believe the sun has risen; not because I see it, but by it I see everything else." Our faith is no longer understood simply as a creed, or a ritual, or a privatized experience solely for our benefit. It is a way of seeing life — our world, others, ourselves — from God's perspective. Christianity is a way of life.

This way of life has radical implications.

- We no longer live to "acquire and accumulate" things to fill our lives. Rather it is as Jim Elliott said, "He is no fool who gives what he cannot keep, to gain what he cannot lose."

- We no longer live "10%" lives — ninety percent for us, ten percent for God. We must be totally committed to see His Kingdom come, His will done, *on earth*, as it is in Heaven.

- We no longer see people from a worldly point of view. Instead, we see them as people for whom Christ died. They have worth and potential in God's Kingdom.

Christianity transforms our perspective so that we

see with His eyes,
hear with His ears,
think with His mind,
love with His heart . . .
and act as He acts.

— Rick Ryding

Dedication And Growth.

The T.N.C. faculty and staff are dedicated to the total education of the student body. They represent a blend of the old and the new. Some personnel have watched the college grow for numerous years, while others have just begun to contribute to its continuing growth.

There is a great diversity of interests and talents exhibited by the support staff and the faculty at Trevecca Nazarene College. This group boasts

preachers and politicians,
athletes and activities,
musicians and merchants,
entrepreneurs and
entertainers, cooks and
carpenters, travelers and
technicians. All members use
their talents and interests to
encourage educational,
spiritual, and social growth.

Farewell!!

SENIORS

Robert Kenneth McKenzie is the Senior Class President. This is Ken's fifth year here at Trevecca which has given Ken the opportunity to serve as Class President for two terms. Ken's major is Religion with a minor in Business Administration. The Senior class officers are Andi Hittle, Shelly Eby, Chrystal Butler, Ken McKenzie, Lisa Matisa, Lee Anderson, and Tonya Pruitt Gracey.

"The Walk"

Who can tell what I will remember
Years from now when friends have
gone
And minds make their own memories
Pleasant or sad, happy —
I dare not try to tell the future,
But look at you now,
As if I were looking back on you
Years hence. I smile,
I forgive the sorrows;
I forgive the circumstances
And gather what lies between us,
The feeling shared —
The things we care about.
Tomorrow my home, my school,
My friends
May be lost or sent
Into the world, into eternity
But still we will meet there.

And I'll see you in every happy face,
Every place I take a part of you with
me —
My love, my hope, my past.
What need is there in looking back
When you're there before me
Waiting, arms outstretched.
Each step into the future I know you
I love you more and more.
There is a freedom stepping forward.
There is a freedom in cherishing what
I bring.
It brought me here,
To the point where I understand.
I'm in your hand, knowing for
nothing
Will there ever be an end.

The wise man in the storm prays not for safety from danger, but for deliverance from fear. It is the storm within which endangers him, not the storm without.

You can always tell a real friend: when you're made a fool of yourself he doesn't feel you're done a permanent job.

The wise bustle and laughs as they walk in the pageant, but fools bustle and are important; and this probably is all the difference between them.

Mystery creates wonder and wonder is the basis for man's desire to understand. Who knows what mysteries will be solved in our lifetime, and what new riddles will become the challenge of the new generations?

Blessed are they who have the gift of making friends, for it is one of God's best gifts. It involves many things, but above all, the power of going out of one's self, and appreciating whatever is noble and loving in another.

The secret of happiness is this: Let your interests be as wide as possible, and let your reactions to the things and persons that interest you be as far as possible friendly rather than hostile.

So love as we love, we serve; So long as we are loved by others, I would almost say that we are indispensable; and no man is useless while he has a friend.

Jennifer Herndon

Our greatest glory consists not

KINGDOM IN THE STREETS

Words and Music by Ken Medema

*Come walk with me in the
darkness
And as we walk along,
I'll tell you quite a story, and
I'll sing you quite a song
I'll sing of light and darkness
of victory and defeat
Corruption on the mountains and
compassion in the street.*

*For it's a long night, and weary
grow the feet that walk the
long road, but
the morning will come sweet
Yes, it's a long night, and the
Prince is in the
streets tonight.*

*We'll walk into the city, Chaos is
its name
And in the streets and alleys
Are the blind, the sick, the
maimed.
And the children cry for water,
and relief
seems out of sight
And they dream about tomorrow
in the darkness of the night.*

*Well just outside the city far
from the blight
and pain*

*Is a holy mountain fortress
where life seems
calm and sane
There's feasting there and
singing by tranquil
waterfalls
And the street folk never come
there 'cause they can not climb
the walls
At the gateway to the fortress
The Man of Sorrows cries
A Prince in beggar's clothing
with compassion
in his eyes
The mountain folk won't hear
him so he'll
turn his feet around
And the ruler of the mountains
becomes a
servant in the town.*

*Well I see his kingdom comin'
I see the victory day,
There'll be no need of fortress
walls
For there is a better way
The Prince will lift the lowly,
the proud will
taste defeat
Don't look for the kingdom on
the mountain
For it's comin' in the street ...*

Surely God is my salvation;
I will trust and not be afraid.
The Lord, the Lord, is my
strength and my song;
He has become my salvation.
With joy you will draw water
from the wells of salvation.
On that day you will say:
Give thanks to the Lord, call
on His name;

make known among the
nations what He has done,
and proclaim that His name is
exalted.
Sing to the Lord, for He has
done glorious things;
let this be known to all the

Implicit in the doctrine of creation, then, is its cultural mandate and the call to a creature intergration of faith with learning and culture. It is a call . . . to explore the wisdom of God in every area of thought and life, and to replenish the earth with the creativity of human art and science. — Arthur F. Holmes

To hope is to risk pain. To try is
to risk failure. But risk must be

taken, because the greatest haz-
ard in life is to risk *nothing*.
The person who risks nothing
does nothing, has nothing, and
is nothing. He may avoid suf-
fering and sorrow, but he sim-
ply cannot learn feel, change,
grow, live or love. Only the per-
son who risks is free! — Leo

Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It is not rude, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not

delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres. Love never fails ...

"We must learn to feel addressed by a book, by the human being behind it, as if a person spoke directly to us. A good book or essay or poem is not primarily an object to be put to

use, or an object of experience: it is the voice of You speaking to me, requiring a response ... how many people read the Bible that way?

JOHN MILBURN

The encounter with God does not come to man in order that he may henceforth attend to God but in order that he may prove its meaning in action in the world. All revelation is a calling and a mission.

- The wise man in the storm prays not for safety from danger, but for deliverance from fear. It is the storm within which endangers him, not the storm without.

- You can always tell a real friend: when you're made a fool of yourself he doesn't feel **you're done** a permanent job.

- The wise bustle and laugh as they walk in the pageant, but fools bustle and are **important**; **and this** probably is all the difference between them.

- Mystery creates wonder and wonder is the basis for man's desire to understand. **Who knows** what mysteries will be solved in our lifetime, and what new riddles will become the challenge of the **new** generations?

- Blessed are they who have the gift of making friends, for it is one of God's best gifts. **It involves** many things, but above all, the power of going out of one's self, and **appreciating** whatever is **noble and loving** in another.

- The secret of happiness is this: Let your interests be as wide as possible, and let **your reactions** to the things and persons that interest you be as far as possible friendly rather than hostile.

- So love as we love, we serve; So long as we are loved by others, I would almost **say that we are** indispensable; and no man is useless while he has a friend.

- I can never be what I should be until you all that you ought to be.

— Martin Luther King

BASEBALL

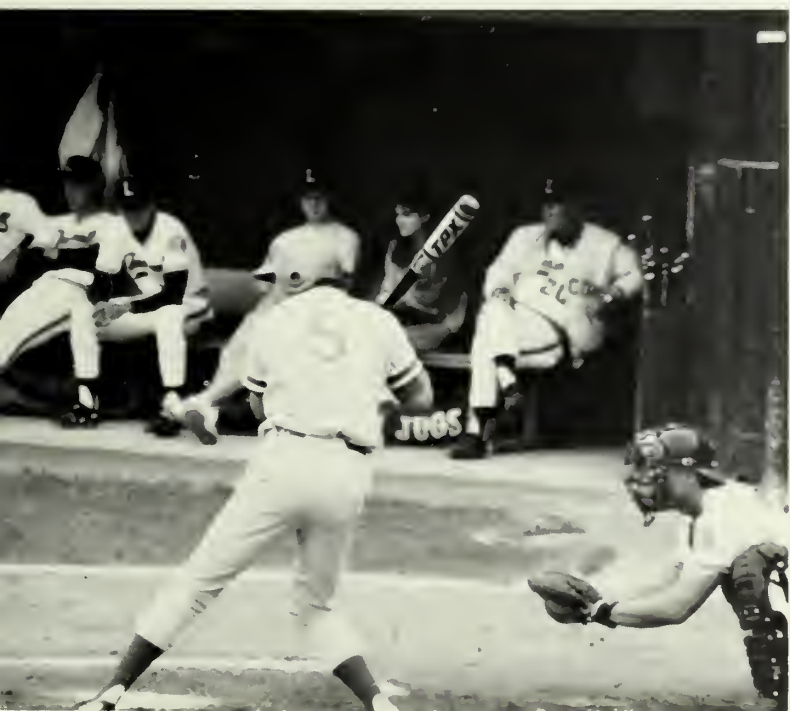

On a rainy Thursday afternoon in East Tennessee the Trevecca Trojans baseball team saw its promising 1990 season cut short by a determined bunch of Rebels (Belmont College). The final score of the game was not the only thing final on that day. Head Coach Elliot Johnson's eleven years at the helm of the Trojans also came to an end.

In a move announced in early January, Johnson is being replaced by Dr. David Altopp from Greenville College (IL). The change is being brought about to employ a doctorate level faculty member in the Physical Education department.

Trojan baseball fans were hoping for a repeat of the 1989 District 24 Championship in 1990 and for a time it looked like it might happen. A deep pitching staff and solid people at each of the other eight positions, led by All-Americans Brad Stuart (3B) and Clay Boone (CF), helped TNC to impressive wins over some NCAA Division I teams and national NAIA powers. During the 1990 season, Trevecca never dropped out of the top 20, finishing at 31-15 and #15 in the final regular season poll.

Top 20 finishes have come to be expected on the TNC campus.

During the eleven years Elliot Johnson has coached the Trojans, winning was a way of life. Johnson's 230-152 record places him among the winningest coaches in the NAIA over the last decade. His Trevecca teams won two District 24 and three conference championships. But more importantly, Johnson won the respect of his players and peers as a Christian. He plans to continue coaching baseball at the collegiate level.

TENNIS

For the fifth consecutive year, Trevecca stands at the top of the heap among Tennessee NAIA schools in tennis. The last time someone other than the Trojans won a District 24 title, George Bush was just Vice-President, Mikhail Gorbachev was one of the "bad guys," and other teams in the district still thought they had a chance to beat Trevecca. At the rate Coach Alan Smith and his men are going, their dominance of collegiate tennis in this area may outlast the reign of Bush and Gorbachev.

In collegiate tennis, a match consists of six singles and three doubles matches, for a possible nine points. Opposing teams are getting used to 9-0, 8-1 scores. In fact, a strong Middle Tennessee State University team came to the Trevecca courts, lost all six singles matches, picked up their rackets and conceded the three doubles matches.

An example of just how overpowering TNC was this year was the combined record of their singles matches against conference foes. Over the course of the season they were an astounding 90-1, and that one loss was a default. The match record for the 1990 season was 26-2 with a final regular season national ranking of #11.

VOLLEYBALL

1989 will long be remembered as a turning point for the women's volleyball program at Trevecca. Not only did these ladies finish with a winning record at 22-19, they qualified for the NAIA District 24 play-offs where they finished sixth out of thirteen teams. It was an exceptional year for a team which had experienced tough times during the decade of the 80's. Often against bigger, stronger opponents, the Lady Trojans used superb effort and teamwork to good effect. The resulting winning season was a rich reward indeed. Junior Allison Hendershot was named to the All-TCAC team, as well as team MVP.

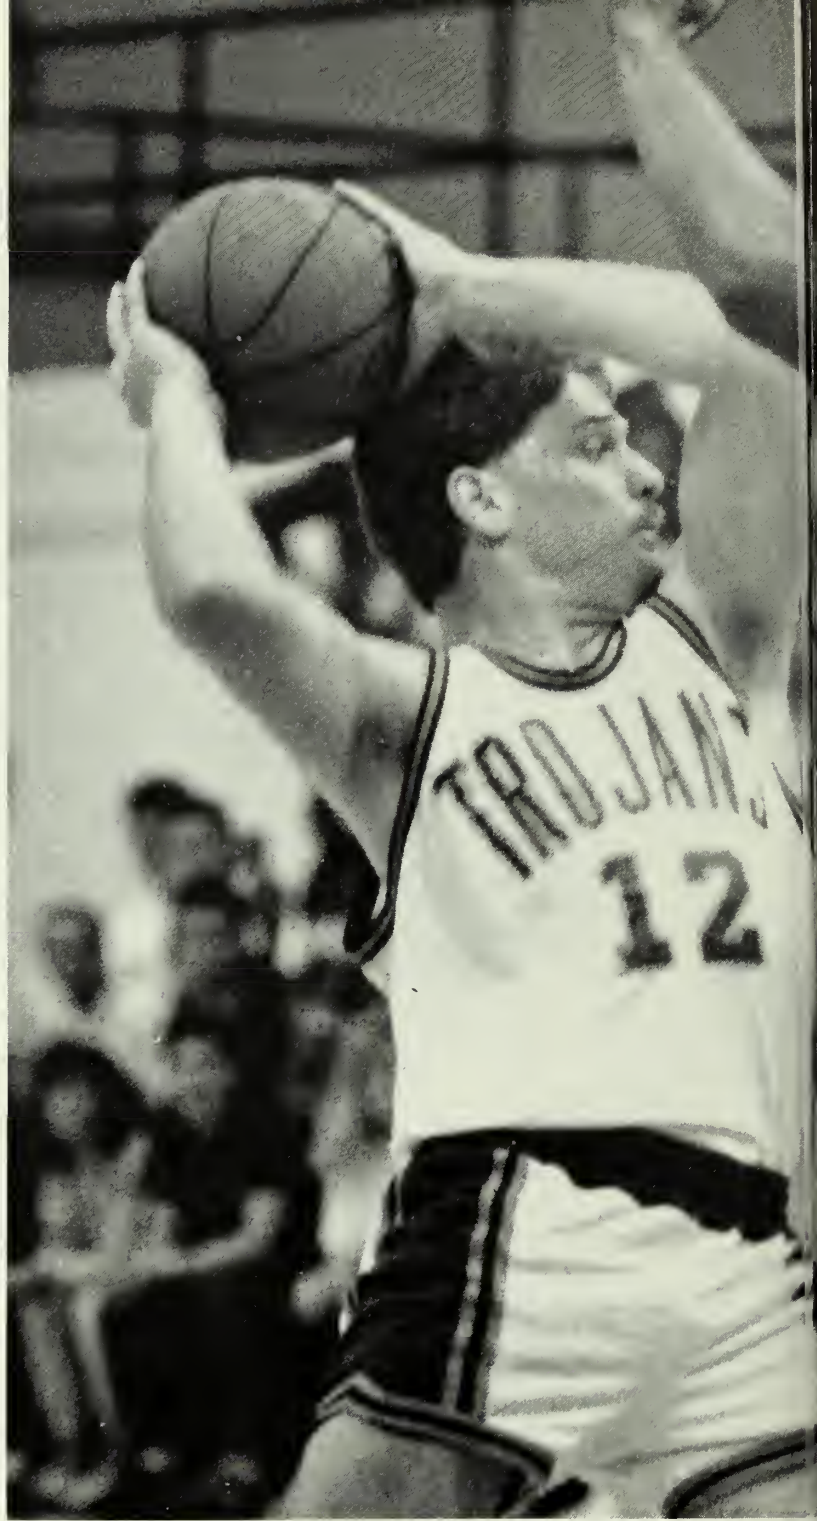

CHEERLEADERS

BASKETBALL

In what was by most standards a rebuilding year, Coach Frank WILSON is pleased.

"We had a really good year. With a few breaks here to there, we might have done even better."

Better? Maybe, the Trojan fans shouldn't be all that disappointed with a 20-14 record. Eleven of those losses came at the hands of Top twenty teams and many of them were close enough to have gone the Trojans way. Several team and individual records fell and sophomore David Suddeth parlayed his 25 points per game into a spot on the All-District 24 team. Junior Fitz Jones broke the season mark for steals. Greg Stamps, one of two seniors, broke the single game assists record and the season three point shot attempted and made record. The other senior, Michael Brown averaged 17 points per game and led the team average in rebounding with 9. All in all the Trevecca Nazarene College Trojans represented TNC with a Winning Season!

All game photo's provided by the *Tennessean* with the assistance of Clay Smith, Mike Dubose, and Freeman Ramsey.

Well you've reached the end of the book and I hope that you have caught a glimpse of some things that made you smile. This past year has been a very quick year and all that was planned was unable to be accomplished. Thanks for the opportunity to serve as DARDA Editor. This has definately been an honor and a pleasure to work on this publication to serve you the students!

This year has also been a very frustrating year trying to get things and people together. Special thanks goes out to Becky Bortner who was the Staff Member of the year. (Thanks Becky for all your Help!) Some things didn't come through and some things unexpectedly came through with some obvious help from Christ. Thanks also to Michael Johnson, who for the first time was DARDA sponsor and did a super job in helping when everyone else was gone! Thanks also to Dean Harris who was there to listen to my problems and accomplishments as well as for being a supporter. Thanks, Tim Evans — a super friend for the last leg prayers. Special THANKS to the most special friend any guy could ask for — Michelle Hicks. You had to put up with me alot Michelle and thanks! I Love You! Thanks as well goes to DeDe Johnson, Mark Spraker, Jennifer Short, Bart Benson, Susan Ragsdale. (Thanks Susan for listening to me after SGA meetings and many others.)

Most importantly thanks goes to Jesus Christ my savior and sanctifier who gave me the most support and encouragement. You were always by my side and never left me! Without you, Christ, nothing would have been possible!!!

Thanks Trevecca for being a place that is very special to all of us contained in this book and the few who were not in the book. May we always be sons and daughters that you'll be proud of, Dear Old TNC! May we all have a Clear Vision for Christ and for his Kingdom!

In His Majesty's Service,

F. Arthur Sharpe, Jr.

Now we see but a blurry reflection
as in a dingy mirror; when we
see Him we shall have a CLEAR VISION
of Him. Now I know dimly, then I
shall know clearly, even as I am
clearly known. — I Corinthians 13:12
Paraphrased.
